District Highlights: October 2020

We commenced our meeting with a concepts study presented by Jimmy D our Current SW Regional Trustee & AAWS Board Director, followed by a presentation on “All the things that had to happen for AA to be here” presented by Don. F Area 15 Panel 61 past Delegate. Our business meeting was focused on the four motions that we were unable to vote on last month. Each motion passed with a simple majority. The motions have given District 3 members the following privileges in the District 1 business meeting, a vote and extended membership. We will now be a conjoined meeting. The District 1 executive board will be serving both District 1 and District 3. We have a guidelines and Ad-Hoc Committee that has been formed to look into solutions for both districts. Our budget for next year is set, the website for district 1 is looking into ways of incorporating district 3 as well. We are still receiving contributions online, and new GSRs are joining us monthly. So grateful to serve both districts it's an honor and privilege.
