

COOPERATION WITH THE ELDER COMMUNITY

Minutes 6/11/06

Attendees: Bob Mc (15), Michael M (6), Rick H. (14), Sandy D (17)

The meeting opened with the serenity prayer

Introductions were made

March 26 Minutes were approved

Old Business

- Colleen C has agreed to speak with instructors at her college to determine if anyone can take the existing PSA in the wrong format and transfer it to the correct format
 - Rick will check with Sun City to determine what format they use for their cable
- What does the committee think about hosting the 2008 third annual SIS Conference in southern California? It will be a great deal of work, but will also be very rewarding
 - Michael reported on the 1st SIS Conference in Hawaii
 - The 2nd SIS Conference will be in Sedona, AZ, on 8-11 May 2007 at the Best Western hotel. Registration information should be available in August.
 - All attendees agreed this is a good idea and were generally in favor of investigating this further. Rick will contact Indian casinos in the area to see what accommodations are available for a conference. (Elders apparently like to gamble.)
- The Homeland district out by Temecula has voted to put aside \$200.00 towards the printing of the CEC brochures. The Palm Springs district is going to be voting on whether they agree to put aside \$200.00. Michael will ask District 6 at the July monthly meeting to commit \$200.00 towards the printing of the CEC brochures
 - Michael will get another printing quote
- The AARP National Convention will be held 26-28 October in Anaheim this year. We will be sharing a booth and need to develop a list of committee members who are willing to help staff the booth
 - Bob W, Coleen, Gil, Michael, Rick, and possibly Sandy offered to staff the booth

New Business

- The new SIS AA meeting at Crofton Manor is going well so far. On additional resident attended and stated she was very grateful to have the meeting. She sobered up in the 80's and then slipped and was very happy to be coming back into AA.

Next will be a presentation and hopefully, a new meeting at the Orange/Olive Senior Center in Orange, CA. More info to follow.

- Need a Spanish Co-chair
 - Sandy is interested, but has to check other commitments before she agrees
- Need a secretary
 - Deferred to next meeting
- Brain storm on the CEC area level committee and how many district level CEC's are in place and what work they are doing
 - Deferred to next meeting

The meeting closed with the Responsibility Pledge.

Respectfully submitted,

Bob Mc
Secretary
