- o Michael M. mmchstr827@netscape.net
- o Kim will work with volunteers to develop menu and assign responsibilities

DCM discussed visitation to meetings to talk about general service.

Terri S. spoke about pitching to a meeting, first talked about lack of involvement of meeting with AA as a whole, esp. meeting that been around along time, meeting loses so much from not being involved and being aware, tell what service work has meant to me and my sobriety. Very important that all groups have opportunity to have experience of being connected through their GSRs.

Roundtables, 10-15 minutes

• Subject---Service and service sponsorship in our groups.

DCMC volunteered to go to any men's stag meetings to talk up GSR service and gave his telephone number and email. Jerylsltp@aol.com

Page 3 of Newsletter, Servathon, should be November 8 should NOT be November 11 for Servathon

DCMC reminded GSRs that at the beginning of the year we all agreed that each sub district would have someone attend the area meeting. Would like to continue that agreement.
