

# TO ALL DISTRICTS OF THE MID SOUTHERN CALIFORNIA AREA 9

The purpose of the Public Information Committee is to carry the message of recovery to the still-suffering alcoholic by informing the general public about the A.A. program. We carry the message by making our selves available for public speaking and by placing our public service announcements, and meeting announcements in the newspaper, radio or television and by placing books and literature into schools, libraries and other organizations; all while maintaining our personal anonymity at the level of press, radio and films.
