

Each year, the Delegates to the General Service Conference choose a theme for the General Service Conference that will be held the next year. For example, the 2006 General Service Conference chose a theme and workshop/discussion topics for the 2007 General Service Conference. The purpose of this selection is to provide the Fellowship with ideas for group and committee discussion that will focus on topics vital to Alcoholics Anonymous. The theme and workshop/discussion topics for the 2007 General Service Conference are listed in the following text. It will be very helpful to our Delegate when he participates in the discussions of these items at the 2007 General Service Conference if he has an idea of the experience, strength and hope of the AA members in Mid-Southern California Area regarding these topics. Please select all or a portion of the topics listed below and schedule a discussion of these topics in your Home Groups and District meetings. You can email your notes to the following email address: [delegate@msca09aa.org](mailto:delegate@msca09aa.org) or you can deliver those notes to our delegate at any of the Area business meetings. (See the Event Calendar on the [msca09aa.org](http://msca09aa.org) home page.)

## **Theme for the 2007 General Service Conference**
