### **Approval of May, 2013 Assembly Minutes**

### **Officers' Reports (the following reports are written reports):**

**Delegate Jeryl T.:** -Since our last ASC, I have been busy as a delegate. I have visited Districts 7, 3 and 19, a board meeting in Santa Ana, an interdistrict meeting in Tustin by way of Fontana, a steering committee meeting at district 7, the Harbor Intergroup. I was a speaker at the Redwood Round Up in Humboldt County, Ca, Inland Empire Intergroup, Grupo Sendero de Vida, District 6, now here in San Bernardino and when I leave here this afternoon I will be speaking in Sun City. Nothing like being a delegate, you really get around.

I also want to acknowledge all who have been trying to put together an itinerary for our soon to be visiting Regional Trustee, Rod B., even though we still do not have details of his journey here to facilitate next month's election Assembly. It seems like only yesterday that he pulled my name out of the hat to become the Panel 62 Delegate. But what a journey it has been, and what an amazing journey to come for possibly one of you sitting here today when you become the next Area 9 delegate.

### *A few items to mention as we are gathered here today:*

- Prayers for one of our Panel 56 Delegate, Bruce Henry, who lost his wife, Linda, a former board member and longtime member of Area 09. He just wants us all to know how much she loved AA and her area. She passed last week from the complications of surgery to treat a variety of illnesses.

- Also we need to lift in prayer, PJ Doherty, another former delegate from panel 40, who entered the hospital yesterday with respiratory issues. We will keep those interested updated as info. comes in.
- There is still time to apply for Non Trustee Director Position for the AA Grapevine, by Sept. 9<sup>th</sup> to Nancy H. (Details on website). This position serves up to 4 one year terms and can lead to a Trustee position in the future. They are hoping to add someone who ties to the Hispanic Community and has the time to serve.
- In the latest issue of the Box 459, GSO desk rotations were announced and we now will be in contact with Tracy O., who replaced Jim M. at the Group Services/Web Services desk. She will be responsible for Pacific Regional correspondences, Intergroup/Central Office liaison and responsible for Service Material and AA Guidelines. The rest of the magazine also talks about all the changes as of the last Conference, such as:
  - Our new Chairman of the board, Terry Bedient
  - Other desk assignments
  - 5 new Class B Trustees, William F. of Marietta, Ohio, Chet P. of Orlando, Florida, Bob W. of Westfield, Mass., Alvin Z. of Long Beach, New York (who will serve as general service trustee on the Grapevine Board), and Bill N. of Spring Lakes Heights, New Jersey (who will also serve as general service trustee but not on the AAWS Board.
  - And replacing Ward Ewing and Honorable Rogelio Flores as Class A Trustees, we have coming on board David M. Morris from New York City, and the Honorable Ivan Lemelle, a US District Judge from New Orleans, Louisiana.
- The Final Reports are in and I am especially proud, because that was the last responsibility of my Conference Committee, Report and Charter. I felt quite privileged to be a part of the process to make this informative document happen. But of course, I immediately found a mistake on the very first page, which I am proud to say, we didn't have the task of proof read. So, it wasn't our fault!! Whoo Hoo!!
- The quarterly financial reports are out and have been distributed to all of the districts. You can track the contributions

**Alt. Delegate Sharon:** It is a privilege and honor to serve as your alternate delegate. Since our last area ASC I have visited District 3, District 19, and attended a board

meeting. I'm starting to get invitations to chair district elections. I love the election time of year in general service and can't wait to see what Panel 64 for Area 9 will look like. I encourage all of you to stand for positions in your district or A the Area level. It is a rewarding experience. I put together my Budget for the finance committee for the next panel's alternate delegate. Finally, I'm getting ready for the Servathon and it should be a good one. Thank you all for the opportunity to serve..

It's not a business it's our meeting in print. Does the district support a committee financially? It is up to the district because all districts are autonomous. Is it a good idea that district standing committees visit the groups with the district board? If the committee has a chair, secretary and treasurer then it is not recommended.
